Player Name and Age Group

The Lincoln Blackhawks are a premier, non-profit youth baseball organization located in Lincoln. Focused on teaching the fundamentals of the game and preparing players for high school.

Lincoln Blackhawks was founded in 2007 as one single team. In 2025 we will have eight baseball teams comprised of 9 to 14 year old athletes totaling approximately 80-90 players in the organization.

The cost of maintaining a select club is significant. Expenses include uniforms, equipment, field maintenance, insurance, indoor facilities tournament and umpire fees, etc. It is quite expensive but well worthwhile.

The Blackhawks are very proud of the players and coaches that represent our organization, community, city, state and sports. Please invest in these outstanding young athletes, and the future of baseball and softball in Lincoln by sponsoring Blackhawks.

On behalf of our coaches, families and most of all the players, THANK YOU for your consideration and support. It is sincerely appreciated.
